# Early California

*Every college and university has pride in its past—and the deeper into the soil of time its roots penetrate, the greater a university's pride. It is proud it has stood, that it has a time—not so mush that it's beard is long, but proud it has stood, proud it has endured. For, to have endured, the university must have been able to meet the challenges of its time, to meet the challenge of time.*

*The University of Santa Clara is obviously rooted in the past. Tile roofs have their red and brown strength in the bright days of autumn, and the old adobe walls and buildings afford their shelter from winter's wind-whipped rains. Angelus clangs from veteran bells daily cross the campus and the quiet softness of spring wisteria leaps quickly to some country in the heart. And yet, as subtle as the breeze that smooths from northwest to southeast in late autumn afternoons, is Santa Clara's foundation in a spirit which has fostered and engendered it.*

*In glowing terms, it is The Spanish Tradition—Santa Clara, the Mission University. But in hard reality it is the drive and determination of individual men possessed with a will to accomplish that has moved Santa Clara forward from a good place to fish for trout to a twentieth century university with a twentieth century mission. The spirit of Santa Clara is in the tireless Junipero Serra who ignited the building of the California missions, of Robert Montgomery to make the first manned flight, and more recently, of the current University President's decision to incorporate co-education in the Santa Clara picture. The new energy of Santa Clara is in its energetic men, not the least of whom is . . .*

Benjamin Swig

# Dedication

*Mr. Benjamin Swig, to whom* The Redwood *is respectfully dedicated, a man of whom it is difficult to begin to speak, but once begun, far more difficult to stop.*

*His personal financial contributions have given much impetus to the new dynamism of Santa Clara. But his generosity is more profound. He is a director of the California Safety Council and the late President Kennedy's National Committee on Traffic Safety, a director of the American friends of Hebrew University, a member of the board of trustees of Brandeis University, a member of the board of governors of Mary's Help Hospital and of Hebrew Union College, a member of the education advisory council of the Lincoln Educational Foundation, and currently chairman of the Board of Regents of the University of Santa Clara. He is a member of the board of the National Conference of Christians and Jews and has done much work in the Boys Clubs of America.*

*Always accessible, Mr. Swig is manifestly energetic, personable, and generously considerate, spearheading the drive for further physical expansion at Santa Clara and yet taking the time to personally answer a note of thank you from the women who reside in the dorm named for his late wife, Mae. Working without a secretary from a typewriter on a card table in his suite in the Fairmont Hotel, Mr. Swig is engendering a Santa Clara that will not only meet the challenges of the times, but make some challenges of its own. Truly he would foster in Santa Clarans the spirit of our late President who prophetically said in his inaugural address . . .*

John Fitzgerald Kennedy

# In Memoriam

*"Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans—born in this century, tempered by war, disciplined by a cold and bitter peace, proud of our ancient heritage—and unwilling to witness or permit the slow undoing of those human rights to which this nation has always been committed, and to which we are committed today . . . In the long history of the world, only a few generations have been granted the role of defending freedom in its hour of maximum danger. I do not shrink from this responsibility—I welcome it."*

CLASS OFFICERS: Tom Magdlen, Sgt.-at-Arms; Jim Maher, President; Bill Burke, Treasurer.

*The Class of 1964 is the last class to enter Santa Clara, the all male university, and to live in the traditions of the "old" Santa Clara. It is the first class to witness the move of the heart of Santa Clara from the atmosphere of the Old Bronco Corral to the new Robert F. Benson Memorial Center.*

*The men of '64 will long remember the freshman year in O'Connor and Kenna Halls, the rallies in the Ship, the water fights with the Class of '63, and the BLACK morning of March 22, 1964, when THE SANTA CLARA announced the coming of Co-eds.*

*The men and women of '64 will fondly remember the Prom, the Senior Ball, the Collegiate World Series, the Ship, the old Varsi Library, the new Student Union, and the "new" Santa Clara.*

*The Class of 1964 has given its heart to the University and has received equally as much in return. It worked hard to build the "new" Santa Clara that will continue to progress towards a larger and better University. It gave the "new" Santa Clara the "new" Student Government, the "new" Student Court, the "new" Constitution, and the same "old" Santa Clara spirit that has been a trademark of the 112 graduating classes that have preceeded the Class of 1964.*

*At the completion of four wonderful years, on June 6, 1964, the "responsible" Class of 1964 left the University to be proud "Santa Clara" men and women.*

# Juniors

CLASS OFFICERS: Bill Jaeger, President; Jim Hilgers, Vice President; Hal Tilbury, Secretary; Kevin King, Treasurer; Len Panattoni, Sgt.-at-Arms.

*With the Class of 1965 ended one hundred and eleven years of tradition as it brought the first women students to Santa Clara. This shattering of tradition has become the symbol of the class as it pushes for a new way of life at the University.*

*From this Junior Class has come the driving spirit that has given force to the growth of maturity and responsibility in student life and government that now marks Santa Clara. As goes this class and its leaders so will go the growth and development of the student body.*

# Sophomores

CLASS OFFICERS: John Dimalanta, President; Don Campisi, Vice President; Ron Whitcanack, Sgt.-at-Arms; Gail Snowgrass, Secretary; David Murphy, Treasurer.

*Bronco-Spirit-Santa Clara. All of these words represents the Class of 1966. In every way, the Sophomore student is Santa Clara. Old traditions have been re-enforced and new traditions have been initiated by this spirited class. The second year Bronco supports his school at every athletic and social function. He is there to help defeat the opponent at Buck Shaw Stadium and to dance at the Peacock Court. But being a Santa Claran, he is also conscious of his responsibilities to both mind and soul.*

*The opening of Benson Memorial Student Center gave the Class of 1966 a place in which to hold functions such as its Christmas party. And with two years left, this class will continue to represent Santa Clara in an enthusiastic manner.*

CLASS OFFICERS: Bob Miller, Sgt-at-arms; Al De Serpa, Vice-President; Mary Novakovich, Secretary; Paul Jordan, Treasurer; Richard McKannay, President.

*In early September 1963, over 400 students met for the first time on the campus of Santa Clara. During the weeks that followed the class came together to put an end to the sophomore initiation and show the first signs of maturing unification.*

*Since that day the Class of '67 has become an integral part of Santa Clara. They have succeeded in laying the foundation on which can be built a firm structure — a structure that will add to Santa Clara's stature. The Class has set its goal of bettering Santa Clara for everyone and in this year it has come a long way reaching that goal.*

## ASUSC EXECUTIVE BOARD

The primary goal of the Executive Board has been the effective incorporation of the "New Role" of student government responsibilities into the ASUSC, adapting the new concepts to the old organization. The reorganization of the Senate in which a standing committee system was introduced was one of the innovations of the past semester. To meet the demands of an active Student Court system, the Department of the Prosecution was created by the Board.

The Executive Board has attempted to maintain the traditional high quality in the student activities and services of the ASUSC. A system of more administrative control over the ASUSC Committees was introduced. Under this system each member of the Board was assigned certain committees. In addition to acting as general overseer of these committees he also acted as liaison between the committees under his jurisdiction and the Executive Board. This also has enabled the Board to achieve better coordination between the committees themselves.

Santa Clara, Sept. 14—The Santa Clara Broncos got the 1963 season off to a successful start tonight by beating the Moffet Field Flyers 27-0.

The Broncos scored 21 points in the first half on a five-yard run by Bob Miranda, a 37-yard pass from Ron Calcagno to Bob Cicchi, a safety, and a two-yard run by Bow Rogers. Tom Casazza added an extra point to make it 21.

With one minute and nine seconds played in the second half, Butch Pastorini recovered a Flyer punt in the end-zone which had been blocked by George Wilfert, bringing the Bronco score to 27 points.

The Mission Town eleven, in their first game, showed signs of promise for the coming season as a well-balanced attack accumulated a total offense figure of 414 yards. Ron Calcagno was instrumental in the passing game and Bob Miranda contributed a great deal to the Broncos' ground game. The Santa Clara fans felt that this might be the year in which their team would have its long-awaited success.

# Santa Clara 8

Davis, Calif., Sept. 20—The Santa Clara team and a large number of its backers traveled to Davis and for the first three quarters had high hopes of winning the game. The Broncos led the Cal Aggies in total offense, yards gained passing, first downs passing, and pass completions, but lost the game 28-8. The Broncos were in the game until mid-way in the last quarter but gave up the ball on a punt with five minutes left in the game and never had another chance to catch the Aggies.

In this game, as in the game last week, it was Ron Calcagno and Bob Miranda leading the way. Ron completed 13 out of 26 passes for 243 yards and Bob ran for 104 yards, but this wasn't enough and Santa Clara's offense ran out of gas. The Aggies added two quick touchdowns in the final minutes of play and made the visitors' ride home a mighty long one.

Bob Cicchi caught six passes for 93 yards and was one of the bright spots in the game. The Broncos were able to keep even with the Aggies in the first down department as a result of Cicchi's efforts but the final score is the only thing that counts and so the Mission Men had to look ahead to Sacramento State.

Santa Clara, Oct. 5—Patrice Hills succeeded Joann Sanfilippo as homecoming queen tonight. Bob Miranda scored four touchdowns while picking up 178 yards, and Santa Clara beat Chico State 48-28.

This was the Broncos' most impressive victory of the season to date but the game got off to a bad start as far as Santa Clara fans were concerned, and Chico led 7-0 at the end of the first quarter and 21-19 at the intermission. In the second quarter Tom Kennedy scored on runs of three and one yard, and Joe Franzia threw a five-yard pass to J. P. O'Neill for the third Bronco score of the period but missed extra points cost the home team the lead.

In the second half it was Bob Miranda vs. Chico and he scored four touchdowns on runs of 19, 7, 1, and 8 yards to give Santa Clara a 48-28 victory after Calcagno and Franzia teamed up for two 2-point conversion plays and Tom Casazza kicked an extra point.

7,200 fans saw Ron Calcagno complete 11 out of 15 passes for 213 yards and watched the Broncos win their first homecoming game in Buck Shaw Stadium.

Sacramento, Calif., Sept. 28—Santa Clara jumped out to a quick lead against the Hornets of Sacramento State and the scoreboard read 6-0 at the end of the first period. Ron Calcagno hit Bob Cicchi with a 14-yard pass to give the Broncos the lead, but it only lasted for a few minutes and State went ahead at the half 7-6.

In the second half, Sacramento took the opening kickoff and went 78 yards in 14 plays and increased their lead to 13-6 after three quarters.

The final stanza featured a touchdown by both teams, the Broncos' coming on a 43-yard pass from Calcagno to Cicchi with Joe Franzia throwing to Keith Kellogg for the two point conversion. The final score was 20-14 and the injury-ridden Santa Clarans headed for home. Tom Kennedy, John Felice, and Rich Harvey all sustained injuries and these losses plus that of Jim Lassart undoubtedly hurt the Broncs' game.

Santa Clara, Oct. 12—The largest crowd ever to attend a football game in Buck Shaw Stadium turned out tonight to watch Santa Clara bury the Gators of San Francisco State 21-6,

In the first half the closest penetration made by either team was to the 13 yard line of Santa Clara by the Gators. With two minutes remaining in the half, a State field goal attempt failed and the score was 0-0 as the teams headed for the locker rooms at the intermission.

Santa Clara took the opening kick-off of the second half and drove 77 yards in 13 plays to register the first score when Mike Kellogg dove into the end-zone from the one yard line. Five minutes later the Gators gambled on their own 36 yard line and failed to produce the first down play. The Broncos took possession and eventually scored on a 13 yard look-in pass to Joe Franzia from Ron Calcagno. The score stood 14-0 at the end of three periods.

The two teams traded touchdowns in the final stanza with the Broncs' tally coming on a 28 yard end-sweep by Tom Kennedy and the final score was 21-6 in favor of the home-town eleven.

With this victory, Santa Clara avenged a 19-8 heart-break loss at the hands of the Gators on Thanksgiving Day of 1962.

Riverside, Calif., Oct 19—The Broncos invaded the University of California at Riverside this week-end and again shocked one of their 1962 victims, this time beating UCR 39-0.

Bob Cicchi teamed up with Ron Calcagno for three TD bombs, less the first of which came in the first quarter and was good for 14 yards. Eight minutes later Bob Miranda, after being hit twice, bulled his way into the end-zone and the Broncos led 12-0.

In the second quarter Calcagno hit Cicchi with his second six-point pass, this time from 26 yards out and Miranda added the two-point conversion. Mike Kellogg ran 38 yards for the final SC touchdown of the half, the extra point kick was good, and Santa Clara took a 27 point lead into the dressing room.

The third period saw Calcagno hit Cicchi for their final six-point play and this pass covered 24 yards and raised the score to 33-0.

Santa Clara scored for the last time with 4:41 remaining in the game on a 42 yard run by fullback Tom Kennedy. In the game, Calcagno hit on 11 out of 15 passes for 203 yards, and Bob Miranda averaged 6.4 yards per carry for 122 yards as the two Bronco faithfuls again contributed greatly to the victory which was the fourth in six outings for SCU.

Santa Clara, Nov. 2—Bow Rogers took the opening kick-off and scampered 88 yards for a touchdown, giving the fans a preview of what was to come in the Broncos' game against Cal Tech. By the end of the first quarter Santa Clara had a 14 point lead and for the rest of the game the second and third teams saw most of the action for the Mission Town squad.

The Broncos' second touchdown came as the result of a 39 yard run by Mike Kellogg, and their third score was as exciting as the first as Gary Filizetti returned a Beaver punt for 65 yards and six points. All this was but a hint of the coming thrills. Six minutes and nine seconds later, Bob Miranda ran 68 yards to close out the third quarter and extend the Bronco lead to 33-0.

In the final period, freshman fullback Steve Wolf ran 13 yards to give the Santa Clarans their final score and run the total to 40-0. Tech finally got on the scoreboard with 1:09 remaining in the game and they topped a 77 yard drive with a 3 yard end run for the touchdown.

This was the fourth win in a row for the Broncos and gave them a season record of five wins and two losses as they prepared to face the Gouchos of Santa Barbara. The outlook was encouraging because Santa Clara was able to get its ground game rolling and they picked up 278 yards rushing while totaling 12 first downs in the process.

BOW ROGERS

Santa Barbara, Calif., Nov. 9—It was Homecoming at Santa Barbara and they gave their fans a victory just as Santa Clara had done a few weeks earlier. The final score was 27-14.

The Broncos couldn't get going until the end of the second quarter and by that time they trailed by a score of 21-0. Their first six points came as the result of a 14 yard pass from Ron Calcagno to Bob Cicchi and this was the extent of the scoring until the fourth quarter.

7,200 people watched the Santa Clara team make a gallant comeback try in the final period as Bow Rogers returned a Goucho punt for 47 yards and a score. Mike Kellogg ran the two point conversion play and SC trailed by 21-14 with 13 minutes still remaining in the game.

Late in the game the Broncos were in Santa Barbara's territory once more and on their way to perhaps the tying score, but two 15 yard penalties stalled the drive and UCSB later drove 85 yards to clinch the game and run the total score to 27-14. The Broncos' offense faced a stiff defense and the result was the ending of a four game winning streak. The Santa Clarans headed North to finish up the season against Southern Oregon College.

Santa Clara, Nov. 16—Bob Miranda and Ron Calcagno led the Broncos tonight to a 32-0 victory over Southern Oregon and in doing so they set records that will be hard to match.

Santa Clara scored early in the game on a 61 yard run by Mike Kellogg and the extra point by Tom Casazza. In the second quarter the Broncos scored twice on a seven yard run by Bob Miranda and a 14 yard pass from Ron Calcagno to Bob Cicchi. This was all the scoring until the final period and the Raiders from Oregon trailed by 20 points at the half.

The final quarter was all Santa Clara as Miranda scored his second TD, this time via a 25 yard run, and Tom Kennedy ran six points over from the two yard line.

Ron Calcagno bowed out of college competition with 10 completions in 15 attempts to give him 227 completions out of 425 attempts and 3,489 yards over his three year career, thus becoming one of Santa Clara's all time great passing quarterbacks. His partner in this victory, as in many others this season, was Bob Miranda who with this game became the first Santa Clara back in history to gain over 1,000 yards in a single season. His final total was 1,005 yards in 156 carries, and this record helped to give the Broncos their best record (6-3) since returning to the gridiron in 1959.

Determined Broncos take the court.

Although the University of Santa Clara basketball team finished its 1963-64 season with a 6-20 record, six new SCU individual and team records were set by the Bronco basketballers, according to a check of final statistics.

Russ Vrankovich, star SCU senior guard, closed out his final season in a blaze of glory last Saturday night setting six SCU records, established a new West Coast Athletic Conference standard and tied two Bronco marks and two WCAC records.

Dick Garibaldi's Broncos also set a new mark with their 98 points scored against Pepperdine College in winning their finale 98-78 Saturday. Old mark was 93 points against St. Marys in 1954.

Ironically, the 1963-64 SCU team had another point total record when Tennessee State College tallied 99 points against the Broncos in a Dec. 13, 1963 Portland University Tournament opener.

Jaroch shows late season form which made him a big man for SCU.

The University of Santa Clara freshman basketball team, which recently closed its 1963-64 season with a 17-5 record, established an offensive scoring record, according to final statistics.

Carroll Williams' SCU freshman team scored 1,737 points in 22 games for a 79 points a game average, bettering the former record held by the 1960 yearling squad, by more than six points.

Guard Mike Gervasoni, the 5 ft. 9 in. jump-shooting specialist from Oakland's Bishop O'Dowd High School, set a new individual freshman scoring mark, tallying 498 points in 22 games for a 22.7 average. The old record was held by Bob Garibaldi, who scored 361 points in 1961 for a 20 point average.

Center Larry Dunlap was the top 1964 freshman rebounder and forward Bob Stuckey, ex-Gilroy High ace, was second in scoring (319 points for a 14.5 average) and rebounding.

The Team's won-loss record was second only to the fine 1960 team which holds the school record at 20 wins and 1 loss.

# Acknowledgements

It would be extremely difficult to mention all the individuals responsible for this issue of the REDWOOD. There are those who shot pictures from noon to midnite; those who walked the streets in search for advertisers; those who typed; those who drew and designed and those who—well, just gave moral support. These pages would not be possible without their loyalty and hard work. And if you are interested to whom we are indebted, please see the PARTIAL list on page one hundred and eighty-seven—

Sam Mabry
Editor-in Chief
